Beat Kid's Cancer!

Sam Fleming is a 7 year old 1st grader
determined to beat Cancer!

At 4 years old he was a high spirited
active boy when his world changed and
he was diagnosed with Neuroblastoma
cancer and has since been in the fight.
He travels to NY city once a month for a
unique treatment that allows him to go to
school and play on his baseball team
while battling this disease. He continues
to persevere with his remarkable non-
stop "go get 'em" attitude. To read more
about Sam visit www.ironmansam.org.
